

## Project Summary

The construction of 31 new homes including external work, services and associated works at this brownfield site in Grantham.

All of the homes being built are for affordable housing and the shared ownership market. The mix of properties consist of 6 two bedroom houses, 4 three bedroom houses and 6 one bedroom flats designed to help meet the identified housing requirements for the area. In addition there will be 15 shared ownership properties - 9 two bedroom houses and 6 three bedroom houses.

This project is registered with the Considerate Constructor Scheme.
